Jack Roycroft (left), Treasurer of Culpeper Recreation Foundation, Inc., accepts a check from Lusby Blackwell, President of Culpeper Lacrosse Association, in the amount of \$2,500. The donation will help in building two restroom/concession stands at the Culpeper Sports Complex. Culpeper Recreation Foundation, Inc. continues fundraising efforts to construct the much needed Restroom/Concession buildings at the Culpeper Sports Complex. The two buildings will provide restrooms, a concession stand in each building and storage space for the youth sports athletic gear. The proper use of restrooms will limit the spread of germs and help parents address the needs of smaller children. Proceeds from each concession stand will help support the needs of the youth athletic association for repairing and buying new equipment, for player scholarships, and to defray other overhead expenses.

Chairman of the Culpeper Board of Supervisors William C. Chase Jr. prepares to throw out the first pitch of the season to begin the 35th Anniversary of the Culpeper American – National Little League and Girls Softball season.

Mr. Dawson and Mr. Russell, along with volunteers, were recently recognized by the Culpeper Recreation Foundation, Inc. for installing electricity to ball field scoreboards at the Culpeper Sports Complex. The acknowledgment was made at the Culpeper American - National Little League and Girls Softball opening ceremony. Their generosity saved Culpeper taxpayers over \$30,000.

- Online registration begins on Friday, May 29. All other registration methods will begin on Monday, June 1.**

Registration Decision:

- The registration decision date is when the Department has to have the minimum number of registrations to offer the activity. If the minimum is met by this date, registrations will continue to be accepted, unless otherwise stated, until the activity is full. However, if minimum is not met by this date, the activity will not be held. So for everyone's benefit, please have your registration in before the decision date.

Spilman Park

Located in the northern end of the county on Colvin Road, Spilman Park is one of the few unknown treasures of Culpeper. Boasting a picnic pavilion with ten 8-seat picnic tables, 4 charcoal grills, a multipurpose field, portable lavatory, walking trails, and a tot-lot playground with swing set. There is just about something for everyone.

Are you looking for a place to hold that **family picnic or reunion**? Why not reserve Spilman Park? Call us for details & availability. 540-727-3412

Lenn Park

Lenn Park was donated to the county by three brothers having the forethought to preserve land for the enjoyment of community residents. The Lenn Brothers donated approximately 82 acres to Culpeper County for recreational purposes. The property itself parallels Route 663, Stevensburg Road, while the naturally bubbling water of Mountain Run creek separates the neighboring farmland to the east. The remainder of the original farm land lies to the west.

The Lenn brothers envisioned their fields as an area of activity for families in the community, not just a beautiful property. Lenn Park currently has a kiosk with an information panel that recounts a number of little known facts on the battles that were fought in the area during the Civil War, a wooded picnic area, and a mowed walking trail bordering Mountain Run Creek. Future development of the park will include adult softball fields, a radio-controlled airplane airstrip, and a walking trail that follows Mountain Run Creek and leads to historic sites.

Make Your Puppy a S.T.A.R

Sure, puppies are happy to bounce around the house just being cute and mischievous, but people tend to overlook a lot of less-than-desirable behaviors when it comes to dealing with a fluffy, cute, ball of energy and fur.

In addition to unconditional love a young canine needs Socialization, Training, Activity and a Responsible owner.

These positive traits are also the words that make up the American Kennel Club's newest program designed specifically for puppies. It's called S.T.A.R Puppies, and it's offered through Culpeper Parks and Recreation's popular dog training classes.

Recently 15 puppies and their proud owners successfully passed the American Kennel Club's S.T.A.R. Puppy Test. The graduates will receive a gold medallion, a certificate, a handbook and training tips.

Initiated during its winter program schedule, Culpeper County Parks and Recreation started offering the S.T.A.R program within its Puppy Kindergarten and Beginning Manners classes for qualified pups.

The S.T.A.R Puppies program is designed to help train younger dogs that may not otherwise receive training evaluations, and it's an exceptional way to prepare for an eventual American Kennel Club Canine Good Citizen Certificate (CGC).

Any dog less than 12 months of age that is enrolled in either Puppy Kindergarten or Beginning Manners classes can be evaluated for the program.

The evaluator is Betty Ann Howell, who has trained dogs since 1989. She is a qualified AKC evaluator and trainer for Therapy Dogs International and now the S.T.A.R program.

For more information about the S.T.A.R. program, or any other Parks and Recreation programs, check out **page 18** for details.
